### 3 Arrangements for Public Participation in Policy Development and the Exercise of its Functions

#### 3.1 COMMUNITY ENGAGEMENT AND PARTICIPATION

Council has a [Community Engagement Policy](#) adopted on 8 April 2013 which guides how Council will involve the community in the planning and delivery of community focussed services.

This policy affirms Council's commitment to involving the community in decision-making processes and outlines a number of engagement activities that Council will support.

These include:

- Development of the Community Strategic Plan, and the supporting suite of integrated plans including the Resourcing Strategy, Delivery Program, and Annual Plan.
- **Neighbourhood Forums**

There are eight community groups established across the Local Government Area. Six of the groups meet regularly with support from Council however Coledale and Unanderra Forums are currently inactive. For further information regarding the Neighbourhood Forums, please refer to our Community Engagement webpage (<http://www.wollongong.nsw.gov.au/council/haveyoursay/Pages/default.aspx>)
- **Community Forums**

There are interactive sessions held to consult on specific policies, projects or plans
- **Wollongong Local Planning Panel [WLPP]**

The Wollongong Local Planning Panel [formerly known as IHAP], was established to provide an independent hearing forum for objectors and applicants on certain applications. The WLPP provides an independent assessment of particular Development Applications and submit recommendations to Council for a decision.
- **Electronic Consultation**

Council has an online community engagement site, [Have your Say Wollongong](#). It allows the community to be informed and have their say on future projects, draft policies or strategies. There are also other forms of electronic consultation such as online surveys, discussions and through social media platforms.

- **Public Hearings**

These are used for consultation on re-zonings, re-classifications and Plans of Management.

- **Public Access Forum**

This provides an opportunity for members of the community to address Council in a formal meeting environment with relevant issues they may have. The Public Access Forum seeks to improve communication between Council and its residents and assist in portraying Council as an open and accessible organisation. For more information refer to the following link - <http://www.wollongong.nsw.gov.au/council/meetings/Pages/default.aspx>.

- **Reference Groups**

Reference group members provide Council management with information, knowledge and advice on their specific area of interest or issue and group members should also represent the views of the community. A central focus of the reference groups is to provide input into Council's Community Strategic Plan and other relevant Council policies. More information can be found on Council's website, <http://www.wollongong.nsw.gov.au/council/meetings/other-groups/Pages/default.aspx>

- **Community Engagement Stands**

These are held at markets and events; offer an opportunity for Council and the community to interact out of office hours and out of the office context.

Council also provides a weekly Community Update in the Wollongong Advertiser, a free newspaper circulating in the Local Government Area to inform the public of community matters such as upcoming Council meetings, public notices, development application approvals, proposals and recruitment opportunities.

### 3.2 REPRESENTATIONS TO COUNCILLORS

Councillors have two distinct roles under the Local Government Act 1993: as a member of the governing body of the Council; and as an elected person. Councillors, as members of the governing body, should work as part of a team to make decisions and policies that guide the activities of the Council. The role as an elected person requires Councillors to represent the interests of the community and provide leadership.

The community are able to raise issues with their Councillors. The Councillors, if they agree, may be able to pursue the issue on behalf of the community member.
