

FORM APPLICATION FOR TREE PERMIT

Privacy Notification (Privacy and Personal Information Protection Act 1998 – Section 10) - The information that Council is collecting from you via this application may be personal information for the purposes of the Privacy and Personal Information Protection Act 1998. The intended recipients of the personal information are officers within Council. Any person may apply to inspect the application in accordance with the Government Information (Public Access) Act 2009. The supply of the information by you is voluntary and if you cannot, or do not wish to provide the information sought, Council will be unable to process your application. You may make application for access or amendment to information held by Council. You may also make a request that Council suppress your personal information from a public register. Council will consider any such application in accordance with legislation. Enquiries concerning this matter can be addressed to Council by telephoning 4227 7111.

SECTION 3 FURTHER INFORMATION

Section 3.1	Is the tree located on Council land? . No Yes <i>If Yes, contact customer service 4227 7111 or lodge a customer request online. Council cannot grant approval through a Tree Permit application.</i>	
Section 3.2	Is the tree species the same species listed on the exempt list? No Yes – <i>If Yes, you do not need a permit to prune or remove this tree.</i>	
Section 3.3	Is the tree more than 5 metres high and/or the trunk measures 30 centimetres in diameter at ground level? No Yes – <i>If No, you do not need a permit to prune or remove this tree.</i>	
Section 3.4	Do you want to prune branches that are more than 10 centimetres in diameter? No Yes – <i>If No, you do not need a permit to prune this tree.</i>	
Section 3.5	Is the property Heritage listed and/or a critical habitat or part of a critical habitat? No Yes <i>If yes, contact Council for further advice.</i>	
Section 3.6	Is the tree pruning or removal required as part of a Development consent for a house, house extensions, swimming pool, garage, granny flat or subdivision? No Yes <i>If Yes, the tree(s) will be considered as part of the development application not through a Tree permit application.</i>	
Section 3.7	Is the tree removal necessary to enable Exempt Development or obtain a Complying Development Certificate? No Yes <i>If Yes, call Council to speak with Council's Duty Planner for further advice. Council cannot grant approval through a Tree Permit application.</i>	
Section 3.8	Is this application for the removal of tree(s) required to be retained in a previous Development Consent? No Yes <i>If Yes, you will need to apply for an amendment to the Development Consent. Call Council to speak with Council's Duty Planner. Council cannot grant removal through a Tree Permit application when a tree is subject to a development consent condition.</i>	
Section 3.9	Are you in the 10/50 Vegetation Clearing Entitlement Area? No Yes <i>Note: The Rural Fire Service website has an online tool where you can find out if your property is in a 10/50 Vegetation Clearing Entitlement Area. To use this entitlement for tree removal/pruning, you must read and understand the 10/50 Vegetation Clearing Code of Practice to ensure that you are only clearing in accordance with the Code.</i> <i>For more information, contact the Illawarra Rural Fire Service on 02 4230 8200 or visit www.rfs.nsw.gov.au.</i>	
Section 3.10	Have you attached a tree location plan? No Yes Council cannot lodge a tree permit application that does not include a tree location plan. NOTE: <i>Maximum of 10 trees per application, subject to fee payment – See Section 5 below.</i> <ul style="list-style-type: none"> You can hand draw your plan or use an aerial image to show the location of each tree and other buildings on the property. If using an aerial image - use a colour image with clear, easy-to-read labels. Ensure you number the trees to correspond with the application tree details below. An example Tree Location/Site Plan has been provided on the last page of this application form. Trees to be inspected must be clearly marked at the property by tying a piece of string or other identifying physical marking on each tree. 	
Section 3.11	Is there a dog on the property? No Yes <i>If Yes, provide details</i>	Is the dog (tick appropriate)? Friendly Aggressive Other _____
Section 3.12	Is access available to the property? Yes No <i>If No, state Why? eg locked gates and provide your best daytime contact number</i> <i>If No, Council will contact you to arrange access to inspect the tree(s) once your application has been processed.</i>
