

Take care, stay safe

Council joins forces with Green Connect to keep our parks clean

Over summer we have partnered with local not-for-profit social enterprise – Green Connect – to trial public space recycling in key foreshore locations across the city.

Approximately 150 yellow-lidded bins were installed in 13 Wollongong parks and public spaces alongside our red-lidded bins.

As part of the trial, we've been measuring the contamination rate of yellow-lidded bins. It's an important step as this data

will help us understand how our community is behaving now, and to guide future recycling education programs.

You can do your part by putting only recyclables in the yellow-lidded bin when you're out and about at our beaches, parks and foreshore areas.

Expressions of Interest for the Lake Illawarra CMP Implementation Group

Are you passionate about the current and future care of Lake Illawarra?

Wollongong and Shellharbour City Councils are working together to implement the Lake Illawarra Coastal Management Program (CMP) and we're calling for volunteers to join the Lake Illawarra CMP Implementation Group.

• Community Representatives:

We're seeking two community representatives from each local government area. You will advocate and give a voice to the community by overseeing and providing advice on the implementation of actions within the Lake Illawarra CMP.

• Scientific Advisor:

As a Scientific Advisor you will provide sound expert advice on the implementation of actions within the Lake Illawarra CMP.

The Group will meet quarterly over a 12-month period with the possibility of extension. Meetings will be held online or in person at either Wollongong City Council's Administration Building or Shellharbour Civic Centre. As membership of this Group is voluntary, there is no remuneration for members.

For more information visit wollongong.nsw.gov.au/lake-cmp-group or call our Environmental Project Officer – Lake Illawarra on (02) 4227 7111.

Expressions of Interest close Friday 18 March 2022.
