

ITEM E

LORD MAYORAL MINUTE - WOLLONGONG COAL - REMOVAL OF STOCKPILED MATERIAL FROM RUSSELL VALE

RECOMMENDATION

I recommend:

- 1 Wollongong City Council apply, within the scope of its legal and administrative responsibilities, as much rigour and scrutiny as possible to the Wollongong Coal's operations at Russell Vale mine to finalise the removal of unauthorised stockpiled material and remediation of the site.
- 2 Wollongong City Council call upon the NSW Department of Planning and Environment and NSW Environment Protection Authority to apply greater rigour, scrutiny and compliance to fulfil the requirements of the Development Control Order issued to Wollongong Coal on 19 July 2018 (i.e. the removal of unauthorised stockpiled material and the ultimate remediation of the site).
