

OUR WOLLONGONG JOIN THE CONVERSATION

Exhibitions

These are projects Council is talking with the community about. For more information or to join the conversation, visit Council's website or phone Customer Service Centre. Submissions can be made via Council's website, email or post. All feedback must be received by the closing date.

Citywide Bike Parking

Through the Wollongong Cycling Strategy 2030, we're committed to developing our city as a place where people are encouraged to ride bikes. As we developed the Strategy, the community told us one priority is bike parking and nominated potential bike parking sites. We've now developed a plan for putting new bike parking

in key locations across our City and would like to find out from you if we've got the locations and number of bike rails right. You can view the plans at our.wollongong.nsw.gov.au or your local library.

Feedback closes 11 May 2021.

Delivery Program 2018–22 and Draft Operational Plan 2021–22

We're inviting feedback on the draft documents that will guide the delivery of key projects and services for our community.

This includes proposed fees and charges for 2021–2022.

For more information or to provide feedback, visit our.wollongong.nsw.gov.au.

Feedback closes 20 May 2021.

Fairy Creek Shared Path

As part of our commitment to improve pedestrian safety and amenity, we are proposing to build a new shared path along a tributary of Fairy Creek between Gilmore and Vickery Streets, Gwynneville. The proposed path will provide links between Acacia Avenue and Greenacre Road.

View the plan at our.wollongong.nsw.gov.au and let us know what you think. Feedback closes 21 April 2021.
