NOTICE OF MOTION - COUNCILLOR RIMMER - SPORTSGROUNDS AND SPORTING FACILITIES STRATEGY 2017-2027

Councillor Rimmer has submitted the following Notice of Motion –

“I formally move that –

- 1 Council re-affirms the Sportsground and Sporting Facilities Strategy 2017-2027, Goal 2.1, *‘provision of quality amenities that cater for male and female participation in sport.’*
- 2 Council note the Strategy goal 2.1.2, *‘Ensure gender equitable facilities and accessible facilities are incorporated into all planning components for future renewal of facilities’* with the associated action of *‘Ensure that the design of amenities meets current standards with an emphasis on female participation at regional and district level facilities.’*
- 3 Council note the importance of female participation in sport.
- 4 Council note that across the Local Government Area there are thousands of females participating in local sport and utilising local sporting grounds.
- 5 An audit of the city’s sporting facilities be conducted with a focus ascertaining the current availability of future need of female amenities and change rooms. That the audit include the number of amenities built or modified since the adoption of the Strategy.
- 6 The audit to include a program of works highlighting the priority sports grounds for upgrades for female amenities and change rooms.
- 7 The results of the audit to be presented to Councillors at a briefing session at the end of 2019. At this briefing, an update should be given to Councillors on any planned works to be undertaken at sports facilities, works that are required at sports facilities and estimated costs for these works.”
