<b>CARRIER REGISTRATION - GVM</b>			
Vehicle Registration #	GVM Weight (t)	Axle Configuration (2,3,4 etc)	Vehicle Configuration (Rigid, Semi, B-Double etc)

I ..... hereby agree to the following conditions when entering the Wollongong Waste and Resource Recovery Park (WWARRP):

- Carriers must be registered with Council prior to delivery
- All persons entering the Park do so at their own risk and Council takes no responsibility for any loss or damage to property and injury or death to persons arising from use of the Park.
- The WWARRP will only accept waste that strictly complies with the Environment Protection Licence number 5862.
- The carrier is obligated to advise in writing when a new vehicle registration is authorised to apply charges to the account.
- The carrier is responsible for advising in writing when a vehicle registration is no longer authorised to apply charges to the account.
- All Virgin Excavated Material (VENM) must meet the criteria for VENM as defined in the *Protection of the Environment Operations Act 1997*. VENM will only be accepted as per Council operational needs.
- Carriers must obtain instruction from Park staff before discharging the load. A re-loading charge may apply if loads are discharged contrary to, or prior to receiving, instructions from Park staff.
- Asbestos is not accepted at the Park. Loads found by Park staff to contain asbestos will be isolated and an external contractor engaged for the safe removal and disposal of the entire load and will attract a charge equal to the costs associated with the proper disposal of such waste.
- All loads containing unsafe or hazardous materials must be reported to Park staff.
- All loads must be secured to prevent accidental discharge of material from the vehicle.
- Carriers must keep to formed roads, give way to heavy machinery at all times and must comply with all signage at the site.
- Carriers with overweight vehicles will not be permitted entry.
- If a carrier or his agent fails to comply with these conditions or attempts to conceal a hazardous load then that patron may be subject to prosecution and will be asked to show just cause why he should not be struck off Council's Carrier Register.
- Charges and conditions of entry are subject to change without notice.
- Carriers accessing the active tip face must have a UHF radio and be tuned to channel 68.
