

Privacy Notification (Privacy and Personal Information Protection Act 1998 – Section 10) - The personal information that Council is collecting from you on this application form is personal information for the purposes of the Privacy and Personal Information Protection Act 1998 ('the Act'). The intended recipients of the personal information are officers within the Council and any person wishing to inspect the application in accordance with the Local Government Act 1993 or the Government Information (Public Access) Act 2009. The supply of the information by you is not voluntary and if you cannot provide or do not wish to provide the information sought, the Council will be unable to process your application. You may make application for access or amendment to information held by Council. You may also make a request that Council suppress your personal information from a public register. Council will consider any such application in accordance with the legislation. Council is to be regarded as the agency that holds the information. Enquiries concerning this matter can be addressed to Council by telephoning 4227 7111.

NOTE: Applications will be accepted for lodgement in Council's Customer Service Centre between 8.30 am and 4.30 pm, Mondays to Fridays (excluding Public Holidays)

✓ Please tick each box

- Application Form**
- Correct Fees (PC, Long Service Levy [\$25k+])**
- Title box on all plans** showing name of plan, drawn by, date drawn, version

ONE (1) digital copy and ONE (1) paper copy of ALL plans and documentation is required.

- Detailed Description of the Development**
- Number of storeys
- Gross floor area
- Gross site area
- Number of existing dwellings
- Number of existing dwellings to be demolished
- Number of dwellings in the new building
- Whether the new building is attached to an existing building
- Whether the new building is attached to any other new building
- Whether the land contains a dual occupancy
- The materials to be used in the construction of the new building
- Site Plan** (excluding floor plans)
- Suitable scale (ie 1:100 or 1:200)
- True north point
- Boundary dimensions
- Site area
- Location and uses of existing buildings/structures on the land
- Location and uses of proposed buildings/structures on the land
- Location and uses of buildings on adjoining land
- Location of easements (type)
- Contours to Australian Height Datum (AHD) (existing and proposed)
