

OUR WOLLONGONG JOIN THE CONVERSATION

Community feedback plays a vital role in our decision making processes, and we're genuine when we say we value and listen to what you say.

Right now, we've a range of plans, policies and strategies on exhibition for you, our community, to consider. These documents look at everything from supporting the growth of cycling across the city, to climate change, waste mitigation and creating an equitable and accessible place for all.

We know not everyone will be passionate about every topic, but we want to hear from as many people as possible. Your feedback will guide Council's decision making and ensure our city provides for all our community into the future.

To Join the Conversation, visit our.wollongong.nsw.gov.au or contact the Community Engagement Team on (02) 4227 7111 or email engagement@wollongong.nsw.gov.au.

Submissions can be made via Council's website, email or post. All feedback must be received by the closing date.
