• Proposed Road Safety Improvements for Towradgi Road, Towradgi

To improve safety for people crossing Towradgi Road near the Catters Lane intersection, we’re proposing to remove and replace the existing zebra crossing with a new pedestrian refuge that meets current road safety standards. We’re also proposing to temporarily speed humps on either side of the railway bridge, to reduce vehicle speeds in both directions and help slow vehicles for westbound traffic waiting at the Memorial Drive intersection. We’d like to find out what you think of these proposed road safety improvements.

To access the design plan or submit feedback, visit our wollongong.nsw.gov.au.

Feedback closes 22 June 2020.
