## **PETITION – OBJECTION TO OVER-DEVELOPMENT OF BROOKS TERRACE ESTATE, KANAHOOKA**

Councillor Martin tabled a petition signed by 99% of current residents of Brooks Terrace objecting to further subdivisions in the estate such as dual occupancy, strata title or torrens title. Residents feel that the historical features of the site could be diminished in value, if not lost forever, if Council fails to act against excessive and poorly-designed dual occupancy housing.

**115** **COUNCIL'S RESOLUTION** – RESOLVED UNANIMOUSLY on the motion of Councillor Bradbery seconded Councillor Takacs that the petition be received.

## **PUBLIC ACCESS FORUM – WATERFALL GENERAL CEMETERY**

Mrs C Herben OAM, advised that the 2,073 people recorded as being buried in the Waterfall General Cemetery died in isolation, away from their families. Research is bringing to light their stories, who they were, their families and where they came from. Each and every one of these people has a story that needs to be known. Mrs Herben also advised that this year, being the centenary of the commencement of World War I, research was submitted to the Department of War Graves for verification that there was more than one serviceman buried in the cemetery. In March the Department acknowledged 10 of the 14 names submitted were WWI servicemen.

In conclusion, Mrs Herben asked that Council consider setting up a committee made up of staff from Council's property and cemetery management sections, along with people with expertise in heritage and historical cemeteries. This committee would bring forward the future plan for cemeteries in New South Wales.

## **ATTENDANCE OF COUNCILLOR**

During the address by Ms L Crichton, Councillor Dorahy attended the meeting, the time being 6.09 pm.

## **PUBLIC ACCESS FORUM – PROPOSED LEASE TO PROJECT CONTEMPORARY ARTSPACE**

On behalf of Project Contemporary Artspace, Ms L Crichton advised that she wished to talk about the concept of Project, what it does for the community and why the subsidised rent over five years is integral in Project continuing as a community-run art space. Ms Crichton said that Project was not-for-profit and was run entirely by unpaid volunteers. Gallery space is provided for workshops, events and exhibitions, featuring state-of-the-art gallery fittings. This is all made possible by Council's Small Cultural Grants and a generous donation from Gordon MacDonald Lighting. Project's mission is to continue to provide opportunities and events for emerging artists. Over the last year, Project has overcome challenges with debt, including the rental debt which has now been cleared. Council's subsidised rent means that Project pays 40%, which amounts to \$11,700 for this year.

So that Project can continue to give the community and artists a vibrant, affordable and innovative platform, Ms Crichton asked Council to continue to provide support by way of subsidised rent. In this way, Project can

continue to contribute to the arts, culture and community of the Illawarra, while Wollongong repositions itself culturally.
