### • Stuart Park Play Space – All Ages & Abilities

We're planning an inclusive play space that provides for young people and adults with disability. We're seeking community feedback on the concept plan, which expands Stuart Park's existing playground to incorporate new features designed with young people and adults with disability in mind. The additional

offerings include stimulating equipment, physical challenges and natural and sensory discoveries to provide a range of play options for people of all ages and abilities to enjoy together.

To find out more about the proposal or to provide feedback, visit Council's engagement website [our.wollongong.nsw.gov.au](http://our.wollongong.nsw.gov.au) by Monday 15 March 2021.
