

We are urging the community to remain vigilant and help keep yourself and your loved ones out of harm's way by following COVID safe measures. Remember to wear a mask when appropriate, keep your distance, avoid crowded areas, and check in and out wherever you can.

Make sure to get tested and self-isolate even if you have the mildest of symptoms.

Stay up to date with the latest public health alerts and find your nearest testing centre at nsw.gov.au/covid-19.

Check-in for playtime and exercise

We're committed to supporting our community to safely exercise outdoors. That's why we've rolled out QR code

signage in our most popular playgrounds, skateparks and where we have free outdoor gym equipment.

The signage will be placed in prominent locations around the play and exercise spaces. Council's website has locations of our skateparks and outside exercise equipment.

Visit wollongong.nsw.gov.au/explore/sport-and-recreation/outdoor-fitness.

Play it safe at our beaches

We're asking those who think of swimming at the beach or at one of our nine rock pools to follow the public health order and keep their distance from others, and if it's busy, to visit again when it's quieter.

North Wollongong Beach is patrolled year-round. This is in addition to the unpatrolled nine rock pools that are open all year.

Take advantage of sportsgrounds lighting

We are turning lights on at selected Council sportsgrounds to give people more options to exercise outdoors while stay at home orders are in effect.

Lights will be turned on from 4.30–9pm (weather permitting) at a number of sportsgrounds across the city.
