Subject: FW: Share Our Space and the upcoming school holidays

Hi Councillors

I've mentioned a few times we are working with School Infrastructure NSW to increase access to school grounds and facilities. Below is a link to the list of schools open in our area over the school holidays. You are welcome to share amongst your networks. Contact email at the bottom.

Share Our Space will be running again for the upcoming school holidays with over 500 schools participating across NSW and 20 free activities being hosted by schools.

The [list of participating schools is now available](#) on the [Share Our Space website](#) along with the [list of activities](#) taking place during the holidays. Also included are promotional collateral you can use such as banners and content for articles. You will be able to sort by LGA to see what schools are open in your area.

Organisations interested in collaborating to host a free activity over the summer school holidays, please do not hesitate to email the Share Our Space team at sinsw.shareourspace@det.nsw.edu.au.

Regards
Kerry
Director Community Services WCC
