NOTICE OF MOTION - COUNCILLOR TANIA BROWN - RED TAPE ERADICATION TASKFORCE

Councillor Tania Brown has submitted the following Notice of Motion –

“I formally move that a consultation process be commenced to engage community stakeholders interested in participating in a Council red-tape eradication taskforce.”

**Background provided by Councillor Tania Brown:**

Councillors are often presented with anecdotal accounts from residents about onerous red-tape in the form of Council rules and regulations.

A red-tape eradication taskforce, comprising residents, local businesses and Councillors could be established which allows an arms-length review of alleged inefficiencies.
