PROVISIONS

Planning, Conduct and Maintenance of Council's Memorial Gardens and Cemeteries

Council will make such provisions as it considers necessary to ensure the effective management of its memorial gardens and cemeteries to ensure they are well managed, safe, and accessible to the community through the following:

- a. the setting aside of sections for different types and classes of Interment. Council will ensure, where available and based on need, that a variety of interment options, including natural burials, are available for the community's use across its cemeteries and gardens.
- b. areas dedicated to specific cultures where the interment needs differ from those of the general sections. Council will provide options for cultural interments at Wollongong Lawn Cemetery, where there is significant need within the local community.
- c. the carrying out of work by contractors and external stakeholders, including conducting burials, and the installation and maintenance of monuments in the Memorial Gardens and Cemeteries will require approval by Council
- d. the removal, replacement, and maintenance of monuments. Structures erected within the cemeteries remain the responsibility of the interment right holder. If deemed unsafe, Council will cordon off or lay down a monument to ensure the safety of the public.
- e. the conducting of religious or other ceremonies of burial, cremation, disposition, or commemoration will be allowed with prior approval by Council.
- f. suspension or cancelling of pre-need reservations to maintain access for at-need burials or memorials. Where the supply of interments is restricted, Council will allow only at-need burials to ensure the community can access sites when needed.
- g. the provision of indigent burials within the cemeteries. Burial sites at Wollongong Lawn Cemetery will be made available for indigent burials.

It considers statute and common law, regulation and National Standards that affect the management and operation of memorial gardens and cemeteries. It also sets reasonable and practical standards of conduct for those entering Council's cemeteries and memorial gardens.
