

ITEM A LORD MAYORAL MINUTE - CONDOLENCE MOTION FOR COUNCILLOR VICKY KING

Councillor Vicky King died suddenly on the evening of 25 February 2020 after a meeting of Neighbourhood Forum 7 at the Illawarra Yacht Club.

Cr King served her community for 19 years as a Councillor. She joined Wollongong City Council in 1987 and remained a Councillor until 2004. She was re-elected to Council in September 2017.

During this term of Council, Cr King served on the Aboriginal Reference Group, Illawarra Bushfire Management Committee, Illawarra Regional Information Service, Lake Illawarra Estuary Management Committee, West Dapto Review Committee, Illawarra Sports Stadium Trust and the Illawarra Zone Liaison Committee – RFS.

In previous terms (1987-2004) Cr King served on the Illawarra Community Housing Trust, Lake Illawarra Authority, Illawarra Regional Organisation of Councils, Illawarra County Council, the Planning and Development Committee and other committees.

Cr King was a passionate advocate for all in our community, in particular the residents of Ward 3 in our southern suburbs.

RECOMMENDATION

I move that Wollongong City Council acknowledges the service and contribution that Cr Vicky King gave to the City of Wollongong over 19 years as a Councillor.
