

**Take care, stay safe**

## Work started on wet weather clean up

All the wet and wild weather has made a mess of our public spaces. Right now, Council is cleaning up and fixing issues such as potholes, fallen trees and debris on our beaches.

It will take some time for our parks and playgrounds to dry out enough for us to be able to get our heavy grass-cutting equipment on them safely and without causing further damage to their surface.

A lot of our sports fields are also prone to flooding, so it may take some time for these areas to drain and dry enough for a mow.

Our Customer Service team are here to help and are prioritising urgent calls.

For a non-emergency issue to report such as a pothole, fallen tree on public land or long grass make sure to report it online:
