Letter to Corrimal RSL Club [Under Letterhead as above].

16 June 2023

The President
Corrimal RSL Club Ltd
Princes Hwy
CORRIMAL NSW 2518

Dear Michael,

At the recent June meeting of Neighbourhood Forum 4, your kind invitation for NF4 to participate in proposed discussions about re-establishing social events, such as Spring into Corrimal, in the Corrimal Town Centre was discussed.

The group members share the desire of the RSL to see community gathering activities restored in Corrimal, if it can be arranged with the genuine support of Council and the Traffic Committee, where it is known that challenges occurred before.

The Ward 1 Councillors who regularly attend our meetings were clear in their support for the concept and for such preliminary meetings to take place.

As NF4 is a small group of volunteer members, we would be keen to be represented and hope that other service organisations and community groups would be prepared to share these goals to bring social engagement back into this town.

Yours faithfully,

Bradley Chapman
