

# Beaton Park Swim School

## April 2025

### Continuous enrolment

If you are currently enrolled in the program, you will be automatically rolled over to the next session.

If you no longer wish to swim in the program please call the swim school on 4227 7760.

Debits will continue if you don't contact us prior to this date.

### Making changes online

If you make changes to your booking online, please check there is no overlap with classes.

This is to avoid your child being booked in to multiple classes.

### Notifying Absences

If you are unable to attend any lessons, you will need to notify the absence prior to the lesson start time.

If you do not notify. You will forfeit your makeup for that class.

### Assessments

Assessments are completed twice throughout the session for Levels 1 - 6. We have completed our assessments for this session.

It was great to see so many students progressing to the next level. Congratulations!

If you are unsure if your child has levelled up, you can log in to your portal to check.

- Log into your portal
- Swim School
- Enrolments
- Childs Name
- View Progress

### Debit Information

Debits come out fortnightly in advance on Mondays. The description will be Wollongong City Council Ezidebit

### Session Break and Recommencement Date

**Break** from Monday 7 April **Returning**  
Monday 28 April

**Debits recommence**  
from Monday 21 April

### Pool Closure

Beaton Park pool will be closed for scheduled maintenance from 12pm on Sunday 6 April, and will reopen Monday 28 April 2025.

During the closure, we'll be resurfacing the area around the pool, replacing expansion joints and broken tiles. Maintenance will also be done on the pool's filtration system.

This work is essential to ensure our pool stays in optimal condition.

If you're looking for somewhere else to swim during the closure, Corrimal Heated Pool and Dapto Heated Pool will be open.

### Staff Member of the Session

Each session we recognise an instructor who has shown strong commitment, provides high quality lessons and great customer service.

Congratulations Jessica!

Jessica has been part of the swim school team since November 2022. Jessica teaches a wide variety of levels and is part of the on deck supervising team.
